Dear Ms. Ayres,

Thank you so much for supporting The Child and Family Network Centers by sponsoring our spring fundraiser, *An Evening in the Vineyards*, at the Copper level. Please pass this letter on to all of those people who were kind enough to support our event. Since we do not charge fees for any of our services, income generated from this event is very important to us and I am pleased to announce that over \$190,000 (an all time high) was raised from this year's event.

In FY 2006, CFNC continued to expand both the reach and depth of our programs by opening an additional classroom in the West End of Alexandria, adding Financial Literacy Classes and expanding into South Arlington where there is a documented need for our programs. Your generous contribution will allow us to sustain our efforts for the remainder of this fiscal year and give over 200 of Northern Virginia's most vulnerable young children the skills and family services they need to defy their poverty statistics and enter kindergarten ready to achieve.

We are proud of the work we do in our community and greatly appreciate your support of our efforts. Poverty is the #1 indicator of school failure. With your ongoing support, we will be able to continue to reach children who are at serious risk of school failure and have a greater impact on each child we reach.

Warm Regards,

Barbara Fox Mason,
Executive Director
