Dear Ms. Akers:

On behalf of Godwin Corporation, I'd like to take this opportunity to thank Ms. Melody Woodward and her Assistant, Kelley Carpenter for their outstanding support to Godwin Corporation in our efforts to obtain a contract with the General Services Administration.

I am happy to report that as a result of your team's invaluable assistance, we are now the proud holders of a five-year GSA/Department of Veterans Affairs' Federal Supply Service 62II Schedule Contract! Though a "mouthful", this contract is a critical contract in our industry; allowing us to offer our quality healthcare staffing services to existing and prospective Government clients in a much more efficient and convenient manner.

Again, please extend my heartfelt thanks to Melody and Kelley for their support in this key business accomplishment. May 2008 bring to Federal Schedules, Inc. additional successes and more!

Sincerely,

A handwritten signature in black ink that reads "Debra D. Donahoo".
