Dear Julie:

I trust this note finds you well and in good spirits.

The purpose of this correspondence is to commend Elizabeth Curran for the outstanding job she has done on behalf of Onix Networking.

Elizabeth is very responsive, dedicated and a pleasure to work with. Elizabeth has provided value to Onix and that is very important to us.

Keep up the good work!

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Needles", with a long horizontal flourish extending to the right.
